ADITYA KUMAR SAHU

keonjhar, Odisha, India

sahooaditya370@gmail.com |+91-9090970157| https://www.linkedin.com/in/aditya-kumar-sahu90/

PROFESSIONAL SUMMARY

Frontend Developer with 4 years of experience specializing in React.js and Next.js. Skilled in building responsive, high-performance web applications using modern JavaScript (ES6+), HTML5, CSS3, and SCSS. Experienced in translating UI/UX designs into clean, reusable components, optimizing performance, and integrating REST APIs. Strong understanding of component-based architecture, state management, and best coding practices. Passionate about writing scalable code and delivering user-friendly digital experiences.

TECHNICAL SKILLS

Languages & Core Web: JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS
Frontend Frameworks & Libraries: React.js, Next.js, Redux / Context API, React Hooks, Axios, Fetch API
UI & Styling: Bootstrap, Tailwind CSS, CSS Modules, Responsive Web Design, Cross-Browser Compatibility
State Management: Redux Toolkit, Context API, Local & Session Storage
APIs & Integration: RESTful APIs, JSON, Authentication (JWT), API Error Handling
Performance & Optimization: Code Splitting, Lazy Loading, Memoization, SEO Optimization (Next.js), Image Optimization
Tools & Development: Git, GitHub/GitLab, npm / yarn, ESLint, Prettier, VS Code
Testing & Debugging: React Developer Tools, Browser DevTools, Debugging & Error Handling
Practices & Methodologies: Agile/Scrum, Component-Based Architecture, Reusable Components, Clean Code, Code Refactoring

PROFESSIONAL EXPERIENCE

ReactJs Software Developer **April 2024 – Present**
QSImpACT*, United Kingdom (Remote)*

- Developed and maintained scalable, high-performance frontend applications using Next.js and React.js for enterprise-level platforms.
- Built reusable, modular UI components following **component-based architecture** and best frontend practices.
- Implemented **server-side rendering (SSR)** and **SEO optimization** features using Next.js to improve page load time and search visibility.
- Integrated **RESTful APIs** and handled asynchronous data flows with proper error handling and loading states.
- Optimized application performance using **code splitting, lazy loading, and image optimization** techniques.
- Ensured **fully responsive UI** across desktop, tablet, and mobile devices using modern CSS and responsive design principles.
- Collaborated closely with **backend, DevOps, and product teams** to deliver user-centric and maintainable frontend solutions.
- Improved overall user experience by identifying UI bottlenecks and applying **performance optimization and refactoring** strategies.

ReactJs Software Developer **January 2023 – March 2024**
Nativebyte, Delhi, India

- Developed and maintained **dynamic, user-**friendly **frontend interfaces** using **React.js** for e-commerce platforms.
- Built **reusable UI components** and managed application state using **React Hooks and Context API**.
  Integrated **RESTful APIs** to handle product listings, orders, user authentication, and payments.
- Implemented **real-time UI updates** for order status and notifications using **WebSocket-based integrations**.
- Integrated **Google Maps APIs** (Place Autocomplete, Distance Matrix, Directions) to enhance address accuracy and improve user experience.
- Implemented **secure Razorpay payment UI flows**, handling success, failure, and edge cases smoothly.
- Ensured **responsive design and cross-browser compatibility** across all devices.
- Optimized frontend performance by reducing unnecessary re-renders and improving page load times.
- Collaborated with backend and product teams to deliver scalable and maintainable frontend solutions.

Frontend Software Developer **August 2021 – December 2022**
DevinePvt Ltd, Bhubaneswar, Odisha

- Developed responsive and interactive web applications using **HTML5, CSS3, JavaScript, Bootstrap, and AJAX**.
- **Integrated REST APIs using Axios and Fetch for seamless data handling and dynamic UI updates.**
- **Built user-friendly interfaces with a focus on performance, usability, and cross-browser compatibility.**
- Delivered an end-to-end online examination system with smooth frontend-backend data integration.

EDUCATION

Master of Computer Applications (MCA) – Computer Science **2018 – 2020**
Trident Academy of creative Technology, Bhubaneswar
Bachelor of Computer Applications (BCA) – Computer Science **2015 – 2018**
Majhighariani Institute of Technology and Science, Bhubaneswar
